FairHoPe Hospice Welcomes New Hospice Physician

FairHoPe Hospice and Palliative Care, Inc., is pleased to welcome Gordon B. Snider, M.D., as our newest Assistant Medical Director. Dr. Snider is pictured above with FairHoPe's CEO, Denise Bauer (left) and Joyce Cox, Director of Strategic Care and Community Relations.

As Assistant Medical Director, Dr. Snider will join FairHoPe's Interdisciplinary Team and assist in coordinating care. He will be an integral part of FairHoPe's physician services meeting the hospice and palliative needs of patients and addressing family concerns.

Dr. Snider comes to FairHoPe with a broad range of medical experience and community service. As a graduate of The Ohio State University College of Medicine, he completed his residency in Internal Medicine. For many years, he served the Lancaster community in private practice. He most recently served in varied capacities at Fairfield Medical Center.

Denise Bauer, FairHoPe's CEO commented, "FairHoPe appreciates Dr. Snider's past achievements and contributions to our mission. We anticipate a wonderful partnership and future growth with Dr. Snider."

During his career, Dr. Snider's commitment to FairHoPe has been long-standing. He began his association with FairHoPe in 1984 as one of the original FairHoPe Assistant Medical Directors. He later played a fundamental role in developing plans for The Pickering House, FairHoPe's in-patient facility for hospice care. FairHoPe is the leading provider of choice for hospice and palliative care in Southeastern Ohio.
