

Licensed Practical Nurse

Hospice Home Care

Full-time position, 8:00 p.m. – 8 a.m.

Includes Weekends

As an LPN, with FairHoPe Hospice and Palliative Care, Inc., you will be at the forefront of supporting people who face a most-challenging time in their lives as well as the lives of their loved ones. We depend on our LPNs to ensure quality and safe delivery of home hospice services to patients and support to their caregivers. Our LPNs have hands-on interactions with patients, and we appreciate the dedication of our LPNs to give the best hospice care possible. We look for someone with a “hospice heart” who can show compassion, skill, and gentle care to patients.

If you are interested in providing hospice care, consider applying with FairHoPe Hospice and Palliative Care, Inc. We have a smaller staff where you will work with a team of professionals that is committed to comforting those with hospice challenges. You will have a voice to ensure your patients receive the highest standard of hospice care.
