

FairHoPe Hospice & Palliative Care, Inc., the best community-based hospice, is looking for great STNAs to join our award-winning team!

FairHoPe Hospice is a respected hospice that works with patients wherever they are most comfortable, including at The Pickering House, a serene home-like setting which allows privacy and comfort for patients and their loved ones. We offer:

- Health insurance that competes favorably with benchmarking criteria
- Dental and vision insurance
- Mileage reimbursement
- Shift differential
- 401K Option
- A family-like atmosphere

As an STNA with FairHoPe Hospice, you will work with our team to foster the best possible experience for our patients and their loved ones and care givers. FairHoPe Hospice recognizes the important role our STNAs have in our mission and we appreciate the hard work STNAs provide to our patients.

FairHoPe Hospice is a 501c3 and is committed to its patients, employees and community. One way we honor this commitment is with the Anita M. Turner Center, our grief center, where we provide *free* grief support to children, teens, adults and their families who have experienced the loss of a loved one. This free support is available not only to hospice families but also to the community at large. Located on the peaceful grounds of The Pickering House, this free-standing building offers a non-medical atmosphere in a wooded setting with nature trails and sightings of wildlife.

If you desire to use your STNA expertise at a recognized hospice with a caring staff, please send us your resume:
